Coffee Morning

Every Tuesday 9:30am to 12:00 noon.

This is a very popular weekly event run by Debbie and Emma, assisted by Jean. All are welcome, both members and non-members, so either come with friends or come alone and make new friends.

If you haven't been before drop by and enjoy a chat in this friendly environment, have a cup of tea or coffee with a piece of homemade cake or a scone. There are regular craft stalls selling cards, plants, handbags, jewellery etc.

Events in the Bar

9th August – Football season restarts on Sky Sports

See the website (www.ifcc.org.uk), or pop in, for menus and information about the regular 12 noon Thursday over 60's set menu lunch plus Friday fish & chips to eat-in or take away.

Recent and Planned Decoration and Improvements around the Centre

Outside seating area

We have purchased some café style barriers to enclose this area making it feel more defined and separate from the walkway and car park. The planters are looking very colourful too.

Decorating

The lobby and downstairs corridor have been painted in a new colour scheme, deep red and pale grey, updating the look of the centre. The downstairs toilets have also had a fresh coat of paint. The stairway and upstairs toilets are also due for an update and will be painted 26th – 28th August.

Hall Doors

The hall doors have been re-varnished and had stays fitted that will close automatically in the event of a fire along with new blackout blinds to the door windows for use during events and performances.

The main hall floor is booked to be re-varnished 10th August.

Apologies for any inconvenience during any of our planned redecoration works; disruption will be kept to a minimum.
